Annual Dues and Assessments Fees due May 1, 2020

- Dues and Assessments continue to be \$150 per lot **plus an additional \$65 dredging fee per lot (as member approved 1/8/14)**. Boat registration stickers continue at \$35 for the first three stickers and \$75 for a fourth. Make check payable to LSPOA.
- All powered watercraft must be registered to a LSPOA member and a copy of the state registration must be provided to LSPOA. LSPOA sticker and the owner's lot number must be visible from the rear of the watercraft, even with the cover on. Numbers are available from launch Guards and at the LSPOA office.
- Watercrafts without power which do not require state registration do not need a sticker (i.e. canoes, kayaks, sailboats, and rowboats). This watercraft must still have the owner's lot number on them.
- Bring this completed form to the office with your check and state registrations. You may also mail them or put them in the drop box at the office. **Please include a self addressed, stamped envelope for return of your stickers and registrations.**
